EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claim 57 and 59, line 1 each, replaced 'new' with --previously presented--.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: the claimed invention especially microprocessor means to graphically generate a lottery drawing upon the occurrence of a predetermined event, means for storing data defining at least one predetermined event that must occur on the electronic gaming machine in order for the microprocessor means to graphically generate the lottery drawing and an interface in communication with the lottery game module to allow a player to input desired lottery numbers and play the graphically generated lottery drawing when the lottery game module is activated as claimed (claim 57) in conjunction with other claimed features or data storage means, means for controlling and an interface as claimed (claim 59) in conjunction with other claimed features each appears allowable over prior art. Marnell lacks an interface that permits player input of desired lottery numbers.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
